

Multiplying

$$\square \times \square = \square$$

$$\square \times \square = \square$$

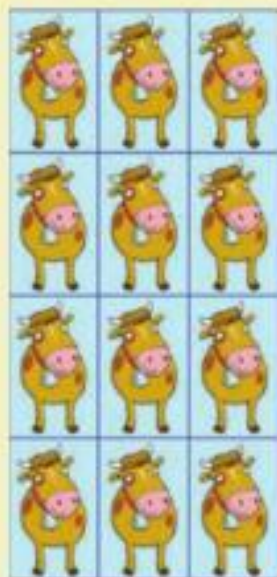

$$\square \times \square = \square$$

$$\square \times \square = \square$$

$$\square \times \square = \square$$

$$\square \times \square = \square$$

$$\square \times \square = \square$$

$$\square \times \square = \square$$

$$\square \times \square = \square$$

$$\square \times \square = \square$$

Write two multiplications for each set of stickers.

Use rows of interlocking cubes to match the arrays.

Write a multiplication fact that is not on this page and draw an array to match it. Write a second fact for it.

Multiplication arrays

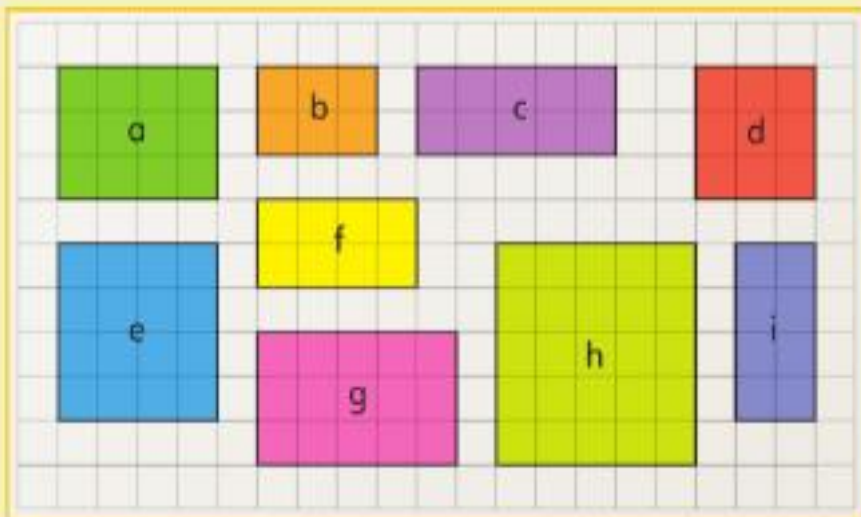

Write two multiplication facts for each picture.

Draw your own pictures to show 2×3 and 2×10 .

I am confident with using multiplication arrays.

Multiplication arrays

d $3 \times 3 =$

$5 \times 5 =$

$2 \times 5 =$

$3 \times 5 =$

$4 \times 3 =$

$2 \times 3 =$

$4 \times 4 =$

$2 \times 4 =$

$4 \times 2 =$

Write the letter to match each multiplication. Then complete the multiplications.

Use interlocking cubes to make the arrays.

What different multiplication facts can you write with an answer of 12?
