

Reception Self Isolation Activities

<p>Practise writing your name. Maybe you could try decorating your name with bits and bobs in your house.</p>	<p>Count as high as you can! Can you get to 10, 20 or even 30! Can you count in different funny voices? Can you count backwards?</p>	<p>Talk about Autumn. Collect some leaves or Autumn things from your garden or on a walk. Make an Autumn collage with them.</p>
<p>Read a story book with a grown up. See if you can tell a grown up about your favourite part. Can you draw it?</p>	<p>Visit 'Topmarks' maths website and have a go at sound of the counting games on there.</p>	<p>Draw or paint an Autumn tree. What colour leaves will your tree have?</p>
<p>Have a go at writing your first set of sounds - s a t p i n. See if you can go on a sound hunt around your house and find some objects which begin with each letter.</p>	<p>See if you can make your own number line by collecting objects e.g. 1 leaf, 2 cars, 3 dolls, 4 pens etc.</p>	<p>Visit cosmic kids yoga on YouTube. These videos are lots of fun and help you keep calm and fit!</p>
