

Reception Self Isolation Activities

<p>Practise writing 3 letter words. You could try ones that rhyme and notice the pattern e.g. cat, mat, sat, hat or bug, hug, jug, mug.</p>	<p>Count as high as you can! Can you get to 30, 50 or even 100! Can count in 2s and 10s? Make a number caterpillar and write your numbers as high as you can!</p>	<p>Talk about the seasons of Spring or Summer. What happens at this time of year? Go on a Spring/ Summer hunt. Draw and label a picture of what you saw e.g. sun, flowers, birds, rainbow, trees, blossom, nest.</p>
<p>Read a story book with a grown up. See if you can tell a grown up about your favourite part. Can you draw it?</p>	<p>Visit 'Topmarks' maths website and have a go at some of the counting games on there. The caterpillar one is lots of fun!</p>	<p>Get outside in the garden and make some nature art. Collect grass, leaves, sticks, stones, petals. Arrange them to make a pattern or a shape!</p>
<p>Recap on your phase 2 and phase 3 letter sounds. Can you say them all? Write the ones you don't know on a big piece of paper and practice every day.</p>	<p>See if you can make your own add ups by using objects e.g. 2 cars and 4 cars equals 6 cars. Make sure you understand what + and = sign are.</p>	<p>Visit cosmic kids yoga on youtube. These videos are lots of fun and help you keep calm and fit!</p>
