<p>Practise writing your numbers. Go up as high as you can go, maybe you could even try to reach 100!</p> <p>Remember to make sure they are facing the correct way.</p>	<p>We are learning about our local area. Think about the type of house you live in. Can you draw a picture of your house?</p> <p>Do any members of your extended family live in a different type of house, maybe a bungalow or a flat?</p>	<p>Practise writing your letters.</p> <p>Remember to make sure they are facing the correct way</p>
<p>Continue to learn our Super Power Words.</p> <p>I to the no go</p> <p>You could practise reading and writing them. You could even put them into your own sentences.</p>	<p>Try a cosmic kids yoga video to keep healthy and fit.</p>	<p>Create an Autumn Picture.</p> <p>You could draw it, paint it on HWB or even create a collage using natural items.</p>
	<p>Go out into your garden and look for signs of autumn. You might even be able to collect some items for a treasure box.</p>	
<p>Retell your favourite story to a member of your family.</p> <p>You could act out the characters using different voices or even give parts out to your family</p>	<p>Research your local area. It could be the village in which you live or even the town of Wrexham.</p> <p>Can you find out anything interesting? You could display your findings in a poster. You could even create a map of Ruabon.</p>	<p>Visit TopMarks to practise your maths skills using the online games. We have all used this in class and so the children will recognise the games.</p>
