

## Reception Isolation Activities Spring Term

<p>Practice writing 3 letter words to match a picture. Draw a cat, dog, pig, cup, mat etc and write a label for your drawing.</p>	<p>Count as high as you can! Can you get to 30, 50 or even 100! Can count forwards and backwards?</p>	<p>Talk about the season of Winter. What happens at this time of year? Go on a Winter walk or look through your window. Draw and label a picture of what you saw e.g.bare trees, ice, snow, birds, leaves, wind, kite, rainbow etc.</p>
<p>Read a story book with a grown up. See if you can tell a grown up about your favourite part. Can you draw it?</p>	<p>Visit 'Topmarks' maths website and have a go at some of the counting games on there. The counting snowman one is lots of fun!</p>	<p>Talk about the clothes you wear in the Wintertime to keep warm. Draw a picture of you dressed ready for a cold day. Can you label the clothes you are wearing? Draw/ paint/ collage a colourful scarf to wear.</p>
<p>Recap on your phase 2 and phase 3 letter sounds. Can you say them all? Write the ones you don't know on a big piece of paper and practice every day. Have a sound hunt and hide some sounds around the house.</p>	<p>See if you can make your own add ups by using objects e.g. 2 cars and 4 cars equals 6 cars. Make sure you understand what + and = sign are. Ask a grown up to write some addition sentences (numbers up to 5 or 10) and see if you can solve them.</p>	<p>Visit cosmic kids yoga on youtube. These videos are lots of fun and help you keep calm and fit!</p>
