

Year 4 Self Isolation Activities (Autumn Term)

LITERACY	NUMERACY	HEALTH & WELLBEING	CREATIVE
<p><u>Descriptive writing</u> Write a description of a setting or character. This could be a made up or from a story book. Remember to include adjectives and similes. Draw your own imaginary setting and surround it with adjectives. Use this to write a detailed description of the setting.</p>	<p>Times tables practise. https://www.topmarks.co.uk/maths-games/7-11-years/times-tables</p>	<p><u>Level Up</u> https://www.youtube.com/watch?v=DO-R5EfG_N4</p> <p><u>PE with Joe Wicks</u> https://www.youtube.com/watch?v=RzOgo1pTda8 this is the link to one workout, there will be other suggestions available for you once you follow the link.</p>	<p>Find some examples of art work that shows a journey.</p> <p>Sketch a journey that you have taken. Include a variety of symbols, colours, lines and textures. You could recreate it in the style of the art work that you have seen.</p>
<p><u>Instructions</u> Write a set of instructions. This can be for anything you choose. Remember what a good set of instructions must include. Title, A list of what you need with exact amounts, How to do it (method), Numbered steps, Time words (first, then, next, after that, finally), Bossy verbs, Important tip</p>	<p>Adding two 2-digit numbers. Roll a dice four times to create two 2-digit numbers. Can you add them together. Will you use a hundred square, partitioning, a number line or a mental method?</p>	<p>Think about all of the things that make you special. Draw a self portrait and surround yourself with all of these things. Repeat the activity for a friend or family member.</p>	<p>Research Indian art. Present your findings in an interesting way. https://nriol.com/indian-paintings/</p>
<p>Continue to practise your handwriting daily. Copy a page from a book or your favourite poem.</p>	<p>Three digit numbers- can you partition three digit numbers into hundreds tens and units. Can you add two three-digit numbers together? Use expanded column method.</p>	<p>Draw a picture of what you can see from your window. Take the time to sit quietly and enjoy the activity.</p>	<p>Look at the website and watch the video to see some land art created in India. Can you recreate a piece of art that you have seen? https://www.andrewrogers.org/land-art/india/</p>

- **Research:** Choose a material of your choice e.g. glass and research it in detail. Decide how you want to record your facts about the material, maybe as a poster or a leaflet. Include information about what it is used for, its properties and how it is made/shaped.
