We have high expectations and a strong Christian ethos that permeates throughout everything that we do.

Ambitious, capable learners

Curriculum for Wales gives schools the freedom to design our own curriculum based on:

- Four Core Purposes
- Six Areas of Learning and Experience
- Mandatory Elements and Cross-Curricular Skills development
- Five Cross-Cutting Themes

Please see the following link for further information:

<https://hwb.gov.wales/curriculum-for-wales/a-new-curriculum-in-wales-a-guide-for-parents/>

Here at St Mary's, we have designed a curriculum to enable our learners to develop in a way described in the four core purposes.

Our 4 purposes characters - Ambitious Aled, Enterprising Enfyf, Ethical Erin and Healthy Harri.

Outdoor learning

Outdoor learning is really important to our development.

Children will be playing outside everyday come rain or shine (so please make sure they have a named coat).

We will also spend time in our school garden every week for Welly Wednesday.

On this day, your children will need to come dressed in old clothes and bring their wellies in a named carrier bag. All in one waterproof suits are ideal for Welly Wednesday, if you are able to provide one.

Parents as Partners

What can I do with my child before they start school?

Coming to Nursery, could be the first time your child has been away from you. You can prepare your child by helping them to do things by themselves and be independent.

- ✓ Give your child as many varied experiences as possible: drawing, painting, cooking, singing, making models, playing games, jigsaws, etc
- ✓ Get them used to: pencils, crayons, felt pens, chalks, paints, play dough, scissors.
- ✓ Share stories, books and rhymes. Read to them.
- ✓ Count everything and share things out.
- ✓ Help your child to be independent when getting dressed and putting on their shoes and coat.
- ✓ Talk to them all the time. Name familiar things and discuss what they see around them and what things are for. Talk about what you see when you are out and about. Watch people work and discuss what they are doing.

Child Protection

The school is committed to safeguarding all children in our care. We aim to keep children safe by adopting the highest possible standards and taking all reasonable steps to protect children from harm. Our Safeguarding and Child Protection Policy is available to read upon request.

Finally, we can't wait for your child to join our St. Mary's family. We have an Open door policy so please do come and see us, pick up the phone or email us, if you need to speak to us about anything at all.

Please keep us informed of any changes in home circumstances or family situations.

All such information will be treated in the strictest of confidence.
