

Cylchlythyr – Newsletter – 25.10.2024

Dear Parents and Carers,

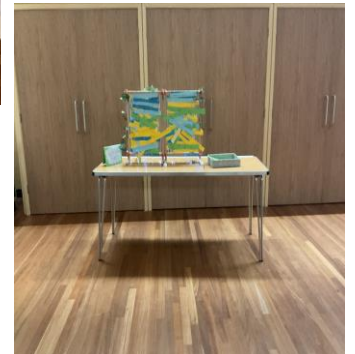

We have had a very busy half term and the school has been a hive of activity with pupils settling into their new classes and beginning their new units of work. Thank you for your support in logging into Seesaw, we hope you are enjoying seeing your child's work. We cannot believe how quickly this half term has gone!

A reminder to download the school website and our app. The school calendar is regularly updated with dates for the year so please keep eye on it. Class teachers now update Seesaw weekly with everything that the children have been up to and what is coming up in the following week, so please check in regularly. As we are cutting down on paper and photocopying costs please ensure your email address is up-to-date as we will continue to send emails as a main form of communication. We also have our text messaging service for short reminders so ensure your mobile numbers are up-to-date.

Prayer Week

Children have really enjoyed participating in Prayer Week this week. Our Criw Addoli have done an amazing job, organising and planning lots of different stations for the children to visit and reflect. I want to say a huge "thankyou" to our Criw Addoli for giving up their own time and making this such a success.

Remembrance Day

We have a selection of poppy items in school and will be selling these after half term. We will update the website with pictures of the items and suggested donations. We will also be holding a two minute silence in school on Monday 11th November at 11am.

Parents Evenings

Thank you to everyone who attended Parents Evenings this week. It was lovely to see so many of you and to hear your lovely comments. We will gather your ideas and share them with our Governors. We are so proud of our school.

EARLY EDUCATION

FOR 2025

Applications Now Open!

The admissions window for Funded Early Education is opening on Monday 28th October for children who turn 3 during the Spring term and closes on 20th December.

Moving Forward

You will be aware that education budgets have been subject to cuts this year and, whilst in St Mary's we have been able to avoid redundancies and redeployment, we have not replaced staff who have retired or who were on short term contracts. All of this results in extra pressures on our current staff, which you might not necessarily see, but please bear this in mind and be patient when communicating with school. It would also help us greatly if children can come to school on time with everything that they need for the day. As a result of these cuts, our Governors, when planning the budget have had to make some changes going forward:

Swimming - moving forward swimming will be for one term only for Year 4 pupils in the summer term. Any parents who have over-paid for previous lessons will receive a refund after half term.

Trips - in previous years the school has heavily subsidised school trips. Whilst school trips remain a voluntary contribution if we receive insufficient funds we will need to cancel trips for all those involved. Obviously, this is not something we want to do, but understand we are in a climate where everyone is watching their pennies. We will try to give you as much notice as possible if teachers intend to book a trip.

Residential - from this year, there will be no residential trip for Year 5. Pupils will have the opportunity to go to Glan Llyn in Year 6 from next academic year.

I am sure you will agree, in times of austerity, keeping our staff in school is paramount to help the children's learning journey.

Complaints Procedure

Just a reminder that, if you do have a complaint, please speak to the class teacher in the first instance. If you feel this is not resolved, please speak to Mrs Hodkinson, our Deputy Headteacher, or Mrs Booth. After this, if you feel the issue remains, please follow our complaints procedure on our website.
