

# WALK TO SCHOOL

We are working with Living Streets to start a scheme called WOW, the walk to school. Every day from Monday 10th Feb our Eco-Council will collect information from each pupil in Reception to Year 6 about how they travel to school. By travelling sustainably (walk, cycle, scoot or park and stride) pupils can earn a badge once a month. Park and stride is when you park 10 minutes away from school, outside the active travel zone and then walk the rest of the way. We hope families will enjoy taking part in this challenge.
