

MEMORANDUM

From: School Meals

Date: 09.04.2025

Subject – Sandwich Memo

Dear Parent / Guardian,

In line with ongoing Welsh Government and Welsh Local Government Association plans to revise the food in schools nutritional requirements, Wrexham School Meals will be reducing the number of days on which sandwiches are available as a lunchtime option in our primary schools.

With effect from Friday 25th April 2025, after the Easter break, sandwiches will no longer be available to pre-order on Fridays in Wrexham primaries. There will be 2 hot main meals and filled jacket potatoes to choose from, and sandwiches will remain 1 of the choices on the other 4 days of the week.

Regards,

Wrexham School Meals
